SUMMARY

Frontend Developer | Motion Graphic Designer | 2D & 3D Animator

I'm a passionate Front-End Developer with a degree in **M.sc Electronic Media at Anna University, Guindy**. I enjoy turning complex problems into simple, beautiful, and intuitive designs. With a blend of skills in **web development, UI design, graphic design, and 2D/3D animation**, I strive to create engaging and user-friendly digital experiences.

My toolkit includes **HTML, CSS, JavaScript, frameworks like React / Angular**, and design tools like **Figma / Photoshop**. I also have experience bringing ideas to life with 2D and 3D animation with **After Effects / Blender / Unreal Engine 5**.

TECHNICAL SKILLS

- **Frontend technologies:** HTML , CSS , javascript , bootstrap , react js.
 - **Programming language:** javascript.
 - **Version control:** git , github , github desktop.
 - **Design Tools and Softwares:** Figma, Photoshop.
 - **Animation Tools and Softwares:** Adobe AfterEffects, Blender, Unreal Engine.
-

EDUCATION
